**matting  
solutions  
for large  
multi-site  
facilities**

# managing matting for large-scale, multi-site facilities is daunting.

For example, a University can have 350+ entrances. We know. We've counted them.

Don't be overwhelmed — Edgewood Matting has the expertise to handle even the most complex matting requirements with industry leading knowledge.

## YOU NEED TO KNOW:

- What kind of mats will best suit your needs?
- How many entrances in each building?
- How many mats should rest at each entrance?

We provide an **in-depth facility analysis**, and with the help of our knowledgeable dealers, we complete projects **efficiently, accurately, and on schedule.**

Edgewood Matting is the largest, full-service wholesaler of commercial matting, industrial matting, and sport flooring products in Canada.

As a member of the **Canada Green Building Council**, Edgewood can assist with projects that are seeking LEED certification. Many of our products are manufactured with recycled content taken from both post-industrial and post-consumer recycled material. 🌱
